ATTAINABLE HOUSING

Building Skills to Build Housing

Join Vitalyst Health Foundation and the Corporation for Supportive Housing for a 2-Day, In-Person Incubator Academy.

The workshops will introduce faith-based groups and churches to the basics of land use and the development process for building attainable housing on their property.

Register [here](#). Each participant can invite one additional member. Registration is capped at 60 people. A light networking breakfast is offered 8:30-9:00 and lunch will be provided both days.
